Our club will have a limit of 20 students. This will be a first come first serve basis group or students who have turned in their registration form to the Q1 office by November 3rd (***The office will not accept applications before November 3rd***). We will inform those who have been selected and you will have until November 8th to turn in your fee or forfeit your space. Students will only be allowed to participate in 1 club.

Discipline/Grades

Excessive discipline referrals or failing grades may result in the dismissal from the club.

Attendance

Please set up appointments on non-club days. Students will be removed from club membership if they accumulate more than 2 absences.

Siblings

ONLY members of the clubs will be allowed to attend the meetings. Siblings that are not part of the club should have other arrangements for afterschool care.
