

## Tens and Ones

### What You Need

- 6 game markers in one color,  
6 in another color
- Recording Sheet and Game Board

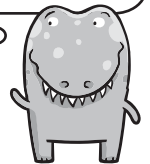

#### Check Understanding

What is another name for 2 tens and 11 ones?

### What You Do

1. Take turns. Pick a math sentence on the **Recording Sheet**.
2. Write the two-digit number.
3. Your partner checks your answer.
4. If your answer is correct, cover the number on the **Game Board** with a game marker.
5. The first player with 3 markers in a row wins.

If I have 10 ones,  
I can make  
another ten.
