

Buddy Sort

This sort needs a partner with the same words.

1. Put the CATEGORIES face up on a flat surface.
2. One BUDDY takes the WORD Cards in their hand.
3. One at a time, he or she reads a word out loud to their buddy.
4. The other buddy has to spell the word correctly.
5. If the buddy is CORRECT then he/she is given the word card and has to put it into the correct category.
**If the buddy is INCORRECT then you can give him/her clues to help them fix the error and if they do not know the word then it is put back into the pile.
6. Continue until all the word cards have been spelled.
7. Switch roles. The buddy that was spelling the words will now say the words out loud to his or her partner.
8. When finished, both buddies RECORD the words in the CORRECT category.
