

Glue Sort

1. Read quickly through all of your word cards.
- ☞ Do write the title (Glue Sort) and the date at the top of the new page. (landscape or horizontal works best)
 - ☞ Do finish a sort on one page. Fix and arrange the sorts if they don't fit the first time. Fix and arrange if they don't fit the second time, etc.
 - ☞ Do glue the cards close together.
 - ☞ Do glue all cards in the same direction.
(→ → → ACROSS)
 - ☞ Do use enough glue so the cards will stick and not fall off.
