

No Peeking Sort

This sort needs a partner with the same words.

1. Both partners need to READ quickly through the words. (Partners may read the words quietly together with one partner's words.)
2. Using the correct steps, write the CATEGORIES in your notebook.
3. Trade words with your partner. (It is very important you have your cards initialed!)
4. Read the word to your partner WITHOUT showing it to him/her. Watch to see if your partner writes it in the CORRECT column and the word is **spelled correctly**.
5. The **other partner** now reads a word and watches to see if it is written in the CORRECT column and **spelled correctly**.
6. Continue **taking turns** until all word cards and been used and are written in the CORRECT column.
7. If time is wasted and partners do not finish all words, the sort needs to be finished at recess.
