The person who draws the pictures in a book is the

***Letter Activities:** for Ee, Xx, Yy, and Ww

~Ww makes the sound you hear in world. Draw a picture of the world.

~Ee makes two sounds. However, this week we are learning the short sound of Ee.

Do you think exercise is good for you? Yes _____ No _____

Try these exercises and check them off as you go.

_____ 1. Hop on your left foot 4 times

_____ 2. Gallop around the room 3 times

_____ 3. Jump with both feet 10 times

~Xx is a “crazy letter”. It takes sounds from two letters - k and s – to make its sound. Many words that sound like they begin with “Xx” really begin with “ex”, such as exercise and exit. Xx is usually found at the end of words such as box. Put a box around each word that you can read that ends with “x”

ax fox six wax
 fix tax mix ox

~Yy has several different sounds. It makes the sound you hear in yummy, when it is at the beginning of a word. When it is at the end of a word it steals its sound from long “e” like in baby or from long “i” like in fly. This week we learned the sound you hear when Yy is at the beginning of a word. Draw a picture of something yummy that you like to eat.

***Letter writing:** Correctly write each letter using Rainbow writing. Rainbow Writing Instructions: Make sure the letters are formed correctly (always start at the top). Use this printout and have your child trace the over the letters every day using different colored pencils. No need for a separate piece of paper. For example, on Monday, write with a regular pencil. Tuesday, use a red colored pencil. Wednesday, use a blue colored pencil. Thursday, use a green colored pencil. There should be 4 colors total which give the rainbow look. They can pick their own colors.
