

The Polar Express

On December 19, 2014, the Polar Express will arrive at Quest Academy to take the Fourth Grade on a private journey. This journey will entail watching the Polar Express movie while drinking Santa's favorite drink, hot cocoa, topped with whipped topping, marshmallows and cookies. Students can bring their favorite blanket and pillow to help make the trip more comfortable.

This exciting event will also include several learning activities related to Utah Core Standards for literature, writing, and science. Students will be comparing versions of the Polar Express story.

If your student is allergic to cocoa or whipped topping, please indicate below. Another hot beverage, such as apple cider, can be used to replace the hot cocoa, if desired.

Permission slips need to be returned by Tuesday, December 16, 2014. Students will not be allowed to drink the hot cocoa if permission slips are not returned by the due date. ☺

We are accepting donations for the whipped topping (spray cans) and hot cocoa (any brand), and marshmallows (mini). We are also **looking for volunteers** (please) to help the day of the party. If you are interested, please talk with your child's teacher.

Thanks for all you do! Merry Christmas and Happy Holidays!
