

Dear Parents:

The fourth grade will be beginning their after school club soon. Our first club session will be crocheting taught by Mrs. Stone. They will learn three basic crochet stitches with the goal of making scarf. After school clubs are not required, but are a chance for students to get extra time to participate in an activity.

The club will be held every Tuesday afternoons from 3:10 - 3:40 pm. It will be held November 14 and 28th, and December 5 and 12. All sessions need to be attended to not be behind. Students will be required to be picked up promptly at 3:40. This is a fourth grade club only, no siblings allowed.

Students will be selected by random drawing, and there are limited spots available. If you are interested in attending the club please fill out the information below and return to the Q1 front office by November 6th. A fourth grade teacher will then notify you by the 8th if your student was selected. There is no cost for this club, but there are some required materials to be purchased.

Please note that this is not required, but an extracurricular activity that students can participate in. Students who are not following school and classroom rules and who are choosing not to participate in the club will be asked to leave the club. If you have any questions please contact your fourth grade student's teacher.
