

Dear Parents,

Our next fabulous fifth grade field trip will be on Wednesday, March 1st. Again we will be going on the Frontrunner and Trax to Salt Lake City. We will be attending the Utah Symphony at Abravanel Hall and also be touring the Clark Planetarium, since we didn't get to spend very long in the planetarium on our last visit.

We will have a one chaperone to ten students ratio. The school will pay for all of those chaperones' transportation and admission fees. Due to the amount of tickets that we were allotted from the Utah Symphony, we are only able to have **two parent chaperones per class**. Since there is a stipulation for a limited number of chaperones, we will be drawing out two names per class to see which parents are able to attend the field trip with us. Chaperones **may not** bring extra siblings with them on the field trip. **If you are interested in being a chaperone, please have your student's field trip slip with the chaperone portion filled out and turned in by Friday, February 10th in order to be placed in the drawing.**

We are also asking that all students bring a home/sack lunch that day (no lunch boxes please). We will NOT have enough time for students to buy a lunch at the food court that particular day. Please also be sure that your child's lunch does not need to be microwaved. There will not be microwaves available. School sack lunches are available for purchase if you would rather the school provide one of those for your child.

Also, please make sure that your student is in their proper uniform. We would like students to dress in blue pants and white shirt. If your student only has khakis, that is acceptable to wear. The back up color of shirt to wear, if your child does not have a white shirt, would be a blue shirt.
