Name _____ Date _____

Chapter 3 Review

Read each question carefully. Write the letter for your answer on the line provided.

Make a 10 or 100 to subtract mentally.

1. $699 - 342 =$

   A. 400   **C.** 347

   B. 357   **D.** 300   **1.** _____

2. $738 - 397 =$

   F. 400   **H.** 341

   G. 351   **I.** 300   **2.** _____

Estimate. Round each number to the greatest place value.

3. $82 - 17 =$

   A. 100   **C.** 60

   B. 65   **D.** 50   **3.** _____

4. $591 - 308 =$

   F. 200   **H.** 283

   G. 238   **I.** 300   **4.** _____

Subtract to find the unknown.

5. $749 - 232 = \blacksquare$

   A. 200   **C.** 517

   B. 500   **D.** 570   **5.** _____

6. $906 - 784 = \blacksquare$

   F. 100   **H.** 122

   G. 120   **I.** 132   **6.** _____

7. The local zoo has 124 mammals and 97 reptiles. How many more mammals does the zoo have than reptiles?

   A. 20 mammals   **C.** 30 mammals

   B. 27 mammals   **D.** 37 mammals   **7.** _____

Chapter Test, Form 2B *(continued)*

Read each question carefully. Write your answer on the line provided.

Estimate. Round each number to the indicated place value.

8. $98 – $47; tens

8. _____

9. 938 – 576; hundreds

9. _____

10. 7,095 – 1,075; hundreds

10. _____

11. 9,112 – 6,225; hundreds

11. _____

Determine whether an *estimate* or *exact* answer is required. Then solve.

12. The fourth-grade class made $1,024 from their bake sale. The third-grade class made $1,535. How much more did the third-grade class make than the fourth–grade class?

12. _____
       _____
