

Dear Parents,

We are so excited for our second fieldtrip of the year. We are going to the Living Planet Aquarium in Draper on Friday, March 24.

The plans for the trip are as follows:

*All students will need to meet at the Roy Front Runner Station no later than 8:15. We will then board the train and ride to Draper. A bus will meet us there and shuttle us to the Aquarium.

*At the Aquarium we are scheduled for a half-day learning adventure and then we will have a short time to explore and eat lunch. (There will **not** be school lunch available for our students this day.)

*We will then shuttle to the station and board the Front Runner and **return to the Roy Station at 3:45**

The cost of the aquarium is usually around \$15 for children and \$18 for adults so we are ecstatic to say that the cost of this fieldtrip is \$3.00 donation per student. If you, as a parent, would like to go with us, you are more than welcome to. The cost of the trip for parents is \$7.00, which will cover the cost of your admission into the Aquarium and transportation

With the nature of this field trip, we are only allowing parents to attend with us and all parents will be responsible for a small group of children. Please make other arrangements for **ALL** other siblings.

If you would like to go with us, please sign the note at the bottom of the page and return it WITH your payment by Thursday, March 16. Those who do not pre-sign up will need to pay full admission price at the Aquarium that day.

Thank you,
The Third Grade Teachers

Yes, my child _____ will be going on the Field Trip on Friday, March 24. Please return this with your \$3.00 donation. **Please remember they will need a sack lunch this day.**

No, my child _____ will not be going on the Field Trip on March 24.

_____ Yes, I am planning on attending with you as a chaperone. I have paid the office the required \$7.00. (Your child may pay this on their way to class)
