

## Quest Academy Club Responsibilities, Rules, and Guidelines

**Discipline/Grades:** Excessive discipline referrals or failing grades may result in the dismissal from the club.

**Attendance:** Please set up appointments on non-club days. Students will be removed from club membership if they accumulate more than 2 absences.

**Siblings:** ONLY members of the clubs will be allowed to attend the meetings. Siblings that are not part of the club should have other arrangements for afterschool care.

I have read & understand the responsibilities & guidelines for club membership at Quest Academy
