

Name _____

Date _____

Presenting Perimeter

Perimeter

The distance around a figure.

To find the **perimeter**:
Add the length of each side together.

$$\text{Perimeter} = 1 \text{ in.} + 1 \text{ in.} + 2 \text{ in.} + 2 \text{ in.} = 6 \text{ in.}$$

1.

Add the lengths of the sides and then write down the **perimeter**.

2.

3.

4.
