

# High Frequency Words Fluency Practice

## Week 26

Have your child begin in the top left corner and read across each row. Time them for one minute. Record how many words per minute your child correctly reads each night. Your child can do this as many times as they like, just record their best time for the night.

right	look	think	words	around	look	words	right	around	think	10
look	words	around	right	think	around	words	right	think	look	20
around	think	right	look	words	think	around	look	right	words	30
words	look	through	after	right	words	think	look	could	think	40
right	words	most	around	look	first	think	around	too	look	50
only	right	down	word	around	which	water	right	water	think	60
because	love	get	around	look	words	good	right	after	write	70
around	right	which	other	look	right	think	words	look	good	80
also	around	think	look	right	over	words	right	around	think	90
your	which	words	around	think	right	around	water	little	each	100

Record below how many words your child was able to read in one minute. Set goals with your child to work to improve their times through the week.
