## Dear Parents,

Our club will have a limit of 15 students. POQA will do a random selection of students who have turned in their registration form to the Q1 office by **January 14th**. We will inform those who have been selected by **January 19<sup>th</sup>** and you will have until **January 21<sup>th</sup>** to turn in your fee or forfeit your space. Students will only be allowed to participate in **1** club.

## **Discipline/Grades**

Excessive discipline referrals or failing grades may result in the dismissal from the club.

## Attendance

Please set up appointments on non-club days. Students will be removed from club membership if they accumulate more than 2 absences.

## **Siblings**

ONLY members of the clubs will be allowed to attend the meetings. Siblings that are not part of the club should have other arrangements for afterschool care.
