

Dear Parents,

We will be starting a **Mad Scientist/Art Club** for First Grade. This first session will meet 4 times on the following Tuesdays: November 14th, November 28th, December 5th, and December 12th. Club will meet in Mrs. Bischoff's classroom from 3:00-3:45pm. The fee for this club will be \$5.

Admission into the club is limited to 20 students and will be on a first come, first serve basis. The first 20 contracts turned in to the Q1 office starting November 3rd (***The office will not accept applications before November 3rd***) will be accepted. We will inform those who have been selected and you will have until November 8th to turn in your fee or forfeit your space. Students will only be allowed to participate in 1 club.

Discipline/Grades

Excessive discipline referrals or failing grades may result in the dismissal from the club.

Attendance

Please set up appointments on non-club days. Students will be removed from club membership if they accumulate more than 2 absences.

Siblings

ONLY members of the clubs will be allowed to attend the meetings. Siblings that are not part of the club should have other arrangements for afterschool care.

Sincerely,
Quest Academy First Grade Team
