Charity Art Auction—Quest Academy Afterschool

The YMCA of Northern Utah is committed to nurturing the potential of every child. We believe that teaching and providing philanthropy at a young age is not only a good thing, but a crucial one. At our Quest Academy afterschool site, our participants have taken this seriously! On December 13th from 5:00-7:00 PM, we hope that you will consider joining us for an awesome night of fun and supporting a great cause! The afterschoolers at Quest will be hosting an auction to benefit sick children through the Shiner's Hospital!

- At the event, you'll have a chance to meet the artist and take home a unique piece of artwork created by the students themselves! Along with the art auction, our event will host special activities that include: A visit from Santa with a free digital photo provided by Kiera Christensen Photography
- A Hot Chocolate and Dessert Bar

The Shiner's Hospital has created an event page with more information at _____.
