One of our 1st grade service learning projects is raising money to be donated to Mission K9 Rescue. Here's some information about this amazing organization:

Mission K9 Rescue is a non-profit organization, operating worldwide.

Their purpose is to support and raise funds for retired and retiring working dogs that have served bravely to keep the lives of their handlers safe. Donations to Mission K9 Rescue help us assist these hero working dogs. The dogs we strive to serve have operated from the battlefield to the streets working tirelessly yet only asking for a treat or a pat on the head in return.

Mission K9 Rescue is funded solely through the monetary support of individuals that share our passion and respect for Working Dogs. Your support is deeply appreciated and is paramount to our ability to "Lend a Hand to the Paws that Serve".
