

Toys from Trash

Oh no! The “big guy up north” invested all of his money in bacon-flavored cookies! He’s now broke and can’t afford to pay the elves! He said he is very sorry. Anyways, this means that every child might NOT get a toy! He’s hoping that YOU can help him out! He needs you to make a toy or game children would enjoy playing with made from “junk” around your house!

Your task: Create a toy that someone your age would enjoy playing with made entirely from junk around your house!

Requirements:

**** Toys must be safe ****

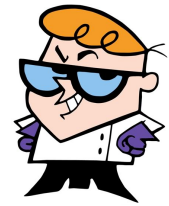

**** Must be made entirely from items considered “junk” ****

**** Must come with directions on how to use/play with it ****

Goal: Spend \$0.00 on a toy
