The person who draws the pictures in a book is the

**\*Letter Activities:** for Zz and Qq

~Qq is a “crazy letter”. It takes sounds from two letters - k and w - to make its sound. You will never see - Qq - unless - u - is with it. Qq makes the sound you hear in quilt.

Draw a picture of a quilt using lots of colors.

~Zz makes the sound you hear in zoo. Have your child name two animals that can be seen in the zoo.

Done: \_\_\_\_\_

**\*Sight Words.** Put a check mark in the left corner if your child can read the sight word automatically. Also, on a separate sheet of paper have your child practice spelling the sight words.

**\*Letter name and sound recognition.** Put a check mark in the left corner if your child can name the letter correctly. **Underline** it if they can tell you the sound it makes. (We have now learned ALL the letters of the alphabet. If you child cannot tell you the name and sounds of the letters, please work on it with him/her as we will be continuing on to learn how to read.)

**\* Letter writing:** Correctly write each letter using Rainbow writing. Rainbow Writing Instructions: Make sure the letters are formed correctly (always start at the top). Use this printout and have your child trace the over the letters every day using different colored pencils. No need for a separate piece of paper. For example, on Monday, write with a regular pencil. Tuesday, use a red colored pencil. Wednesday, use a blue colored pencil. Thursday, use a green colored pencil. There should be 4 colors total which give the rainbow look. They can pick their own colors.

# Qq Qq Zz Zz

**\*Beginning sounds:** Color pictures beginning with

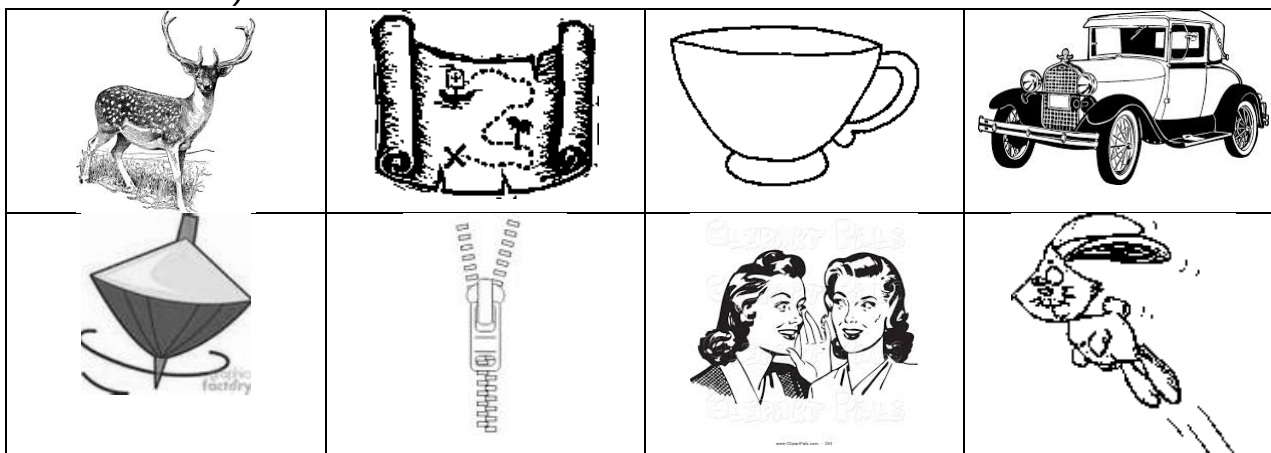

**Qq – green and Zz – orange**

Please color softly so we can still see the pictures (your child can color the whole box).

**\*Ending sounds:** Color pictures ending with **Pp– yellow and Rr- Red**

Please color softly so we can still see the pictures (your child can color the whole box in).

**\*Segmenting Words-** breaking words apart into individual sounds.

1. Say the whole word for your child and have them say each sound to you as they put up a finger for that sound (you could also have them move an object, like M&Ms or skittles, for each sound they hear to make it more of a game).
2. After they have held up fingers or moved objects for each sound, have your child write the lowercase letters for each individual sound in the boxes behind each word.
